Professional Skills

Python
C
Oracle
HTML
Java

Languages

English
Hindi

Hobbies

Reading and learning about programming and startups.

Online MOOC Courses

- Programming for Everybody(Python)-**Coursera**
- Python for Data Science-**edx**
- Basics of Database Design-**udemy**

Extracurricular

Activity

Sportingly takes part in various Competitive Coding contests at various platforms over Internet.

Education

KIET Group of Institutions, Ghaziabad

MCA - Dr. A.P.J. Abdul Kalam Technical University, Lucknow
- Dec 2020 – 2022

Sri Varshney College, Aligarh

B.Sc. (Computer Science) – Dr. B.R. Ambedkar University, Agra - Aug 2017 - October 2020

Private Candidate

12th – CBSE Board, Delhi - Mar 2017

Brilliant Public School, Aligarh

10th – CBSE Board, Delhi - Mar 2014

Projects

Flipkart Fridge Data Scraping

Feb 2021

Team size-individual

I have created a program in Python to extract useful data from Flipkart about Refrigerators i.e. the Product and its Price. This extracted data is then put in a .csv file to showcase the data in an effective manner. This process of extracting useful data is called as Web Scraping.

Desktop Assistant (in progress)

June 2021 – Present

Team size-individual

A virtual assistant, also called an AI assistant or digital assistant, is an application program that understands natural language voice commands and completes tasks for the user.

Achievements

- Participation Certificate in KICKS-d-HACK an online coding competition organised by KIET Group of Institution on Hackerrank Platform in 2021
- Achieved Certificate in Python from Hackerrank in June 2021
